

CORPORATE GIFTING MADE EASY

Sweet Happiness, Delivered.

SWEET HAPPINESS DELIVERED

We set out to create a GIFTING company and ended up in the HAPPINESS business.

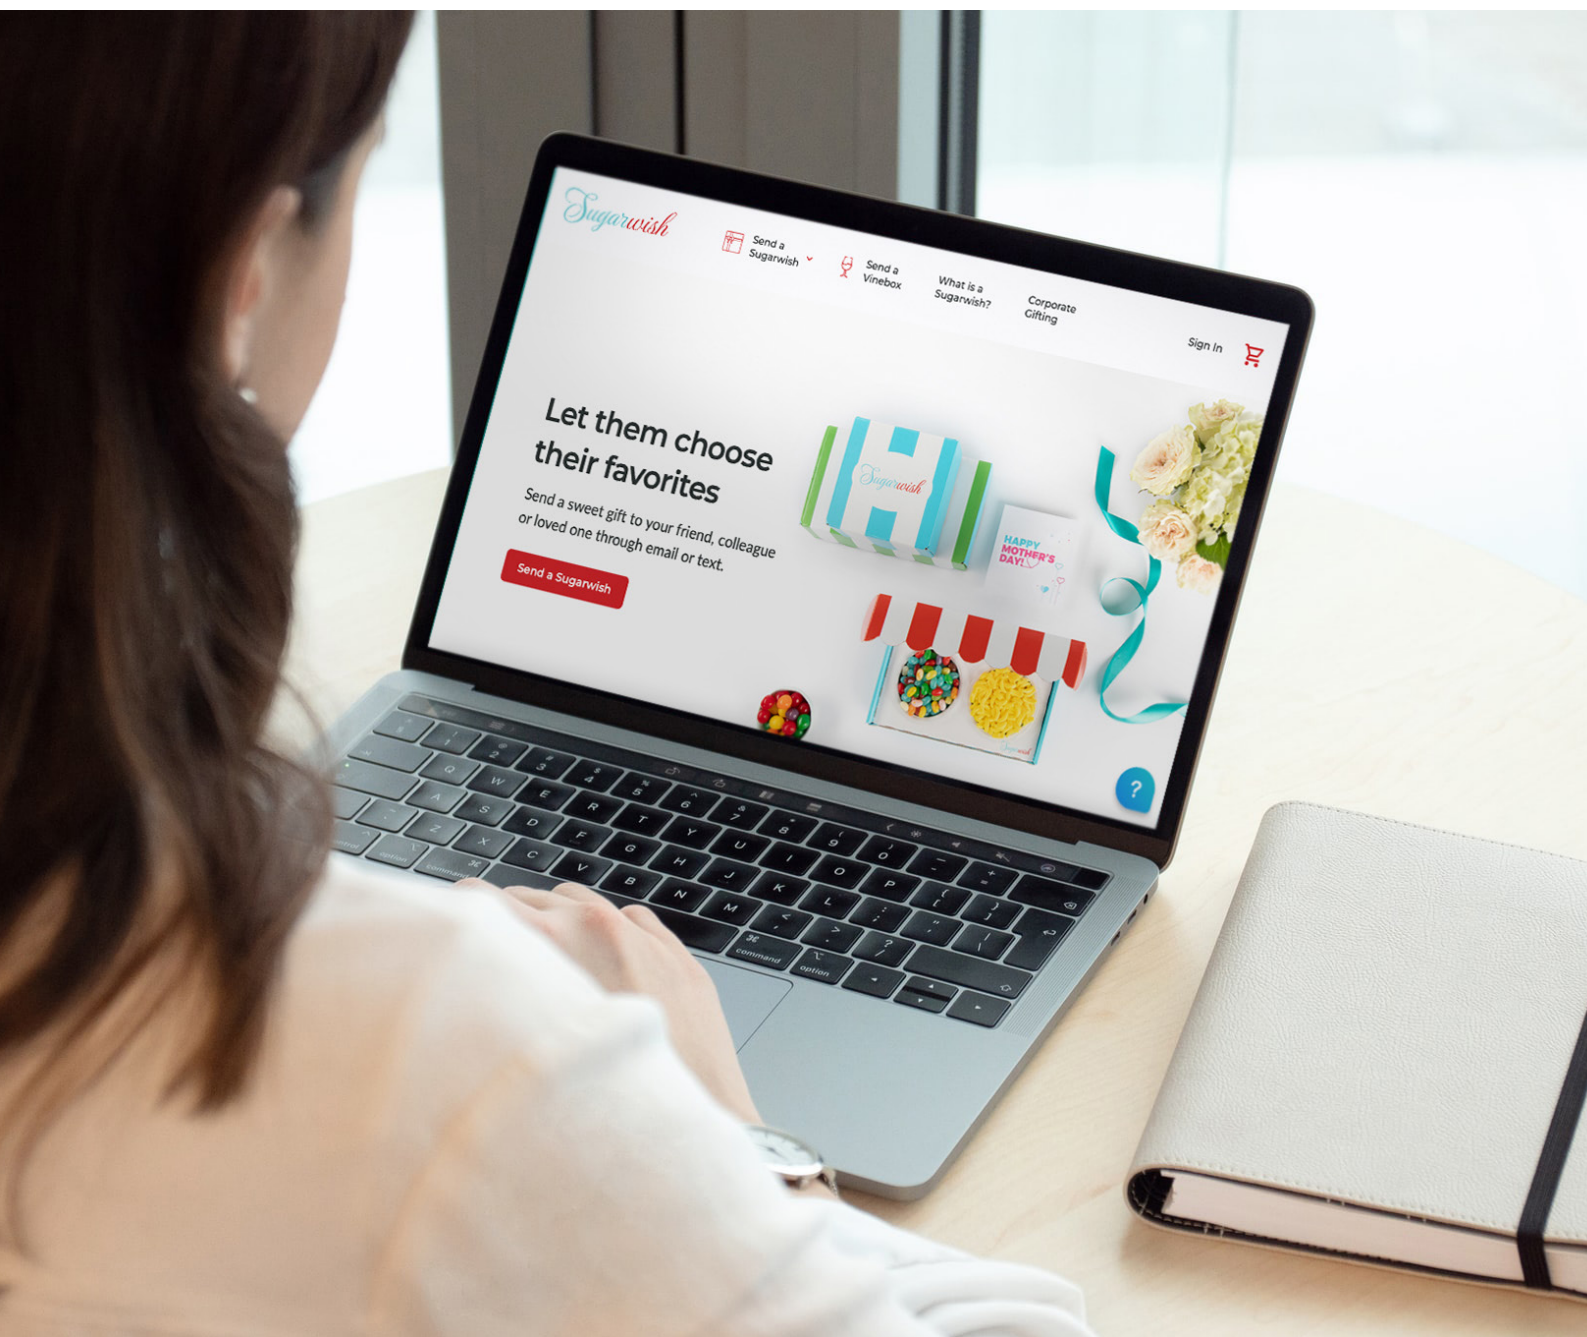

An innovative gifting concept launched the Sugarwish brand, but the secret to our success comes down to good, old-fashioned happiness.

LESLIE LYON + ELISABETH VEZZANI

CORPORATE GIFTING MADE EASY

HOW IT WORKS

1.

YOU PICK THE GIFT

Choose from candy, popcorn, cookies, snacks, coffee & tea, wine, or dog treats - and then select the gift size.

Select a Sugarwish eCard, fill in a personalized note, and hit send. All you need is your recipient's email. (Send your wish via text, Slack, Teams or your favorite messaging app, too!)

2.

THEY SELECT THEIR FAVORITES

They choose from dozens of options to get exactly what they want.

The eCard goes out on the day you choose with an invitation for the recipient to select their favorites from a variety of premium treats and beverages including: candy, popcorn, cookies, snacks, tea/coffee, dog treats and wine.

3.

WE DELIVER WITH CARE

We box up their choices in our signature awning box and deliver directly to their door (or desk!)

They'll enjoy a premium unboxing experience and delight in the selections THEY chose!

No matter what
gift you decide to
GIVE
they're sure
to get their
FAVORITES.
